The Impact of Your Sponsorship

Since 2001, we have helped thousands of patients and their family members by providing nearly \$2.75M in support. The funds we raise ensure that cancer patients who are already fighting for their lives don't have to worry about whether there is a roof over their heads, if the lights will stay on, or if they will receive their treatment this month.

The help we give is only possible because of the **generosity of businesses and individuals** - some of whom have been personally affected by cancer and some who simply understand the power of making a difference in the lives of others.

Help us bring relief and peace of mind to a cancer patient in need. Be a Pay It Forward Gala Sponsor Today!
